

TRIPOD

★★★★★

“...one of the funniest things happening in Edinburgh right now. Or possibly the world... there’s hardly time to catch your breath in between bouts of uncontrollable laughter... these guys are unbelievable musicians too. Sometimes five stars just aren’t enough”

The Scotsman, Edinburgh

“Tripod could be a comedy trio or just a very strange, very talented rock band”

Adelaide Advertiser

Since their earliest shows, Tripod have made a consistent habit of juggling comedy, music and narrative in endless exhilarating combinations, consistently evading neat definitions whilst always striving to stay worthy of their fans’ time.

Over a more than two decade career, Tripod have written and performed for live comedy, radio, television, musicals, games and cartoons, winning multiple awards along the way.

They have collaborated with countless local and international artists, from Colin Hay to Missy Higgins. They have created work for the likes of the Cartoon Network, Ubisoft Games and the Melbourne Symphony Orchestra.

Tripod continue to bring an insane level of craft in both comedy and music and combine them in a rich and satisfying way – an ability that has cemented them as a much loved cultural fixture in Australia.
